2017-2018 Tuition Rates and Payment Policies

Ballet U's tuition for academic year programs is based on its academic season (Sept.-May) of 34 weeks/lessons, not on single class rates.

Short-term programs for preschoolers follow a different payment schedule - see bottom of page.

There are 2 payment options:

- Annual payment in full** by August 31 by cash, check or credit card. Choose this option during online registration to receive a 3% discount on your annual tuition.
- Pay annual tuition in **9 monthly installments**: Make initial payment plus registration fee at time of registration, remaining 8 payments are due on the 15th of each month (Sept.-April). **You must use auto-pay and enter credit card information for installment option.**

Ballet U classes are structured on a full year syllabus, making it extremely important for students (and parents) to commit to enrollment for an entire school year. If you need to withdraw your child before the end of the school year a 30 days written notice is required, otherwise your account will be charged accordingly.

The tuition payment policy applies regardless of student attendance. No credit or refunds for missed classes, including private lessons. Make-up classes may be arranged at the discretion of the director. Medical deferments are given with written physician's excuse as credit in the term following the injury-absence.
