#### II. School Year Programs

##### (PreBallet 5 & 6, Youth Ballet 1-5)

36 weeks of lessons: 8/30/2021 to 6/05/2022

Annual tuition payments are made in **10 monthly installments**: Make initial payment at time of registration, remaining 9 payments are due on the 15th of each month (Sept. through May).

**All families must use auto-pay and enter credit card information at time of registration.**

Ballet U classes are structured on a full year syllabus, making it extremely important for students (and parents) to commit to enrollment for an entire school year and regular attendance. **If you need to withdraw your child before the end of the school year, a 30 days written notice is required, otherwise your account will be charged accordingly.**

**The tuition payment policy applies regardless of student attendance. No credit or refunds for missed classes, including private lessons. Make-up classes may be arranged at the discretion of the director.**

#### III. Adult Ballet Classes

Adult ballet classes are 90 minutes long and are offered on a drop-in basis, with the exception of our 10 week Introduction Courses for new beginners.

Students use our registration site to sign up for each class date/time they wish to attend. Students can choose to pay per class, use class cards, or pay a monthly flat fee.
