

Summer Ballet at Ballet U for Levels Youth 1, 2, 3, 4+

Thank you to all who replied to my survey a few weeks ago. Your replies, along with the guidelines given by the CDC, the State of Wisconsin and now Dane County, have made it possible to plan a careful and slow return to in-studio classes for our summer session.

We understand that returning to in-studio classes is an individual choice and respect all families who are not ready to do so and will continue to offer virtual classes.

If you wish to return to dancing in the studio, please get your registration in asap, since spots are limited.

We are in the process of implementing extended hygiene and safety measures as required by our public health authorities and are training staff on new procedures. Please note that we have decided to be extra careful and are keeping classes smaller than necessary. We are fortunate to have large studios, with each measuring over 1770 square feet. Planned class sizes are 6-8 students (depending on level), which allows for each student to have their own barre.

Here is an overview of our safety measures. Details will follow. Questions are welcome.
